

TISHOMINGO CONNECT, LLC

ACCEPTABLE INTERNET USE POLICY

Tishomingo Connect, LLC's Acceptable Use Policy ("AUP") governs the use of internet-related services provided by Tishomingo Connect, LLC. All contractual terms also apply. "Service(s)" refers to any internet-related service received from Tishomingo Connect, LLC or its affiliates including but not limited to high speed internet access, dedicated internet access, managed service, data center hosting, enterprise hosting, or voice services. Upon signing the Broadband Service Agreement - Terms and Conditions of Service, Customer agrees to abide by and be bound by the terms and conditions of this AUP. This AUP may be viewed at tishomingoconnect.com and may be revised and reposted at any time.

VIOLATION OF ACCEPTABLE USE POLICY

Violation of this AUP may result in Tishomingo Connect, LLC taking actions ranging from a warning to a suspension of privileges or termination of Services. Tishomingo Connect, LLC may, but is under no obligation to, provide Customer with advance notice of an AUP violation via e-mail or other communication, and request that such violation be immediately corrected prior to taking action. Tishomingo Connect, LLC reserves the right to act immediately and without notice to suspend or terminate Services in response to a court order or other legal requirement that certain conduct be stopped or when Tishomingo Connect, LLC determines, at its sole discretion, that which the conduct may:

- Expose Tishomingo Connect, LLC to sanctions, prosecution or civil action;
- Cause harm to or interfere with the integrity or normal operations of Tishomingo Connect, LLC networks or facilities;
- Interfere with another person's use of Tishomingo Connect, LLC services or the Internet;
- Damage or disparage the reputation of Tishomingo Connect, LLC or its services; or
- Otherwise present a risk of harm to Tishomingo Connect, LLC, its customers, employees, officers, directors, agents, or other representatives.

Tishomingo Connect, LLC may refer potential violations of laws to the proper authorities, may cooperate in the investigation of any suspected criminal or civil wrong, and will cooperate with authorities when required to do so by law, subpoena, or when the public safety is at stake. Tishomingo Connect, LLC assumes no obligation to inform Customer that information has been provided to law enforcement authorities and, in some cases, may be prohibited by law from providing such notice. Tishomingo Connect, LLC shall not be liable for any damages of any nature suffered by Customer or other user or third party resulting in whole or in part from Tishomingo Connect, LLC exercising any of its rights under this AUP.

PROHIBITED USES AND ACTIVITIES

General Use Policy

Customer is responsible for complying with the AUP. Customer is also responsible for the actions of others who may be using the Services under Customer's account. Customer must respond in a timely manner to complaints concerning the Services. If Tishomingo Connect, LLC is alerted to or otherwise becomes aware of violations or potential violations of this AUP, Tishomingo Connect, LLC will take whatever measures it deems necessary and appropriate to stop or prevent those violations.

Abuse of e-mail; Spamming

Mass e-mailing and "mail-bombing" (sending mass e-mail or deliberately sending excessively large attachments to one recipient) are prohibited. Business-class accounts may have different volume limitations and usage will be judged by type and use of account. Forging e-mail headers (transmission information) is prohibited. Using another computer without authorization to send e-mail messages or to retransmit e-mail messages for the purpose of misleading recipients as to the origin is prohibited. Use of e-mail to harass or intimidate other users is prohibited. Violation of the CAN-SPAM Act of 2003, or of any state or federal law regulating e-mail, is a violation of this AUP and Tishomingo Connect, LLC reserves the right to seek damages and other available relief against Customer and/or any third parties as applicable. For purposes of this AUP, such violations are determined by Tishomingo Connect, LLC in its sole discretion.

No Resale/Sharing of Services

Customer is prohibited from reselling the Service or otherwise making the Service available to third parties not directly located on property, in whole or in part, directly or indirectly, unless expressly permitted by Service agreement. Customer will not make the Services available to anyone other than family and household guests. Customer will not resell or redistribute, nor allow others to resell or redistribute, access to the Service in any manner, except as expressly provided in any contract for service. The limitation on resale or redistribution of access includes, but is not limited to, hosting applications such as the provision of e-mail, FTP, HTTP, VoIP, and Telnet access. Although resale of such services is prohibited, a business rate plan allows for the hosting of these services for the business's own purpose (ex: employee email, basic business website for marketing).

CUSTOMER CONDUCT

Facilitating a Violation of this AUP

Customer is prohibited from advertising, transmitting, or otherwise making available any software, program, product, or service that is designed to violate or facilitate a violation of this AUP and/or any law. This includes, but is not limited to, the facilitation of the means to spam, infringe on copyrights, and pirate software.

Illegal Activity; Tortious Conduct

Any use of the Services to violate any local, state or federal law or regulation also violates this AUP. Prohibited activities include, but are not limited to:

- Transmitting any defamatory, libelous, fraudulent, deceptive, indecent, offensive or obscene materials;

- Creating or attempting to utilize a domain name that is defamatory, fraudulent, indecent, offensive, deceptive, threatening, abusive, harassing, or which damages the name or reputation of Tishomingo Connect, LLC.

Third Party Rules

Customer may have access through the Services to search engines, subscription Web services, chat areas, bulletin boards, Web pages, USENET, social networking sites or other services that promulgate rules, guidelines or agreements to govern their use. Failure to adhere to any such rules, guidelines, or agreements shall be a violation of this AUP. Tishomingo Connect, LLC reserves the right not to accept a posting from newsgroups where there is actual knowledge that content of the newsgroup violates the AUP.

NETWORK MANAGEMENT

As permitted by law, Tishomingo Connect, LLC may establish appropriate limitations on bandwidth, data storage, or other aspects of the Service by amending this AUP. Subscribers must comply with all such limitations prescribed by Tishomingo Connect, LLC.

Network Security

It is Customer's responsibility to ensure the security of network and the equipment that connects to the Services. Customer is required to take all necessary steps to secure and manage the use of the Services in such a way to assure that network abuse and/or fraudulent activity is prevented. Violations of system or network security may result in criminal and/or civil liability. Failing to secure system against abuse or fraudulent activity is a violation of this AUP. Customer is responsible for configuring and securing network and the Services to prevent unauthorized access to Customer's systems and/or the Tishomingo Connect, LLC network. Customer is also responsible for any fraudulent activity that may occur due to failure to secure network and the Services. Customer will be responsible if unknown third parties utilize the Services at any time for the purpose of illegally distributing licensed software, engaging in abusive behavior or engaging in any type of fraudulent conduct. Customer may not, through action or inaction (e.g. failure to secure network), allow others to use network for illegal, fraudulent or inappropriate uses, and/or any other disruptive, provoking, or abusive behavior that is in violation of these guidelines.

Responsibility for Content

Customer is responsible for any content offered or received through the Service.

Password Security

If applicable, a password provides access to individual accounts. It is Customer's responsibility to keep passwords secure. Customer is responsible for any and all access to or use of the Services through the account. Attempting to obtain another user's account password is prohibited.

Web Hosting and Data Center Hosting Surveillance

Tishomingo Connect, LLC performs routine surveillance of its networks in connection with its web hosting, data center hosting, and related services. Although Tishomingo Connect, LLC will not, as an ordinary practice, proactively monitor activities for violations of this AUP, there may be instances in which Tishomingo Connect, LLC, through its routine surveillance, finds violations of this AUP, and reserves the right to take whatever action it deems appropriate in its sole discretion.

Robocall Mitigation

The Company's Robocall Mitigation Plan requires the Company to comply with Federal law and regulations. Users of our services will be required to timely cooperate with any investigations, including Call Trace Back investigations, into suspected illegal uses of Company services. We will specifically prohibit the following activities which may be complicit in illegal calling schemes:

- continuous or extensive chat line or conference call participation,
- use of free conference calling or similar services that Company in its sole discretion deems to participate in traffic stimulation practices or schemes that result in excessive charges;
- use of an open telephone line as a monitoring, intercom or similar service;
- repetitive and/or continuous messaging or calling to the same destination or number if such activity could reasonably be expected to or in fact does provoke complaints;
- long duration calls (defined as calls to the same number in excess of four continuous or cumulative hours within a 24 hour period) and/or calls placed to specific numbers / destinations for the purpose of generating charges or fees for or with a third party;
- use of call Services which do not consist of uninterrupted live human voice dialog by and between natural human beings;
- restricting or inhibiting any other User or any other person from using and enjoying the Services and/or the Internet;
- engaging in any of the foregoing activities by using the services of another provider or third party and channeling such activities through an account provided by Company, or otherwise involving the Services or any Company account in any way with or without another provider or third party for the purpose of facilitating the foregoing activities; or
- utilizing robocalling, autodialing, predictive-dialing or other software or technologies for illegal means.
